[Python Essentials 1](#)

Issued by: Cisco

Issued to: DILAN ARAGON ORTIZ

Issued on: 18 May 2023

Description: Cisco, in collaboration with OpenEDG Python Institute, verifies the earner of this badge successfully completed the Python Essentials 1 course and achieved the student level credentials. Earners have knowledge of the concepts of computer programming, the syntax and semantics of the Python language as well as demonstrate the ability to accomplish coding tasks related to the essentials of programming in the Python language and resolve implementation challenges using the Python Standard Library.

[Networking Academy Learn-A-Thon 2023](#)

Issued by: Cisco

Issued to: Stanley David Altamar Suarez

Issued on: 19 May 2023

Description: This badge is awarded to students and instructors who participated in a Learn-A-Thon event organized by a local Networking Academy.

[English for IT 1](#)

Issued by: Cisco

Issued to: Dilan Smith Aragon Ortiz

Issued on: 8 October 2024

Description: Cisco, in collaboration with OpenEDG, verifies the earner of this badge successfully completed the English for IT 1 course and achieved the student level credentials. Earners know how to use complex grammatical concepts correctly; they are familiar with concepts related to information security and job roles, and are able to understand phrases related to customer support; they can use vocabulary related to user experience, fraudulent calls, and network and software engineering.

[CCNA: Switching, Routing, and Wireless Essentials](#)

Issued by: [Cisco](#)

Issued to: Dilan Smith Aragon Ortiz

Issued on: 13 November 2024

Description: Cisco verifies the earner of this badge successfully completed the Switching, Routing, and Wireless Essentials course and achieved this student level credential. The earner has a foundation in switching operations, wired and wireless LAN configuration using security best practices, redundancy protocols, and developed problem-solving skills. Earner participated in up to 45 practice activities and accumulated up to 21 hours of hands-on labs using Cisco hardware and/or the Cisco Packet Tracer tool.

[JavaScript Essentials 1](#)

Issued by: [Cisco](#)

Issued to: Dilan Smith Aragon Ortiz

Issued on: 13 December 2024

Description: Cisco, in collaboration with OpenEDG JS Institute, verifies the earner of this badge successfully completed the JavaScript Essentials 1 course and achieved the student level credentials. Earners know the syntax of the core JavaScript; can work with variables, operators, flow control, and functions; know the basics of data types system; think algorithmically and can analyze problems using a programmatic conceptual apparatus; and can design, develop, and improve simple JavaScript programs.

[Introduction to Data Science](#)

Issued by: [Cisco](#)

Issued to: Dilan Smith Aragon Ortiz

Issued on: 13 December 2024

Description: Cisco verifies the earner of this badge successfully completed the Introduction to Data Science course. The holder of this student-level credential has a broad understanding in basic concepts of Data Analytics, Data Engineering, Data Science and AI/ML related job functions. They also have insight into opportunities available for pursuing career in various data roles.

[Introduction to Cybersecurity](#)

Issued by: [Cisco](#)

Issued to: Dilan Smith Aragon Ortiz

Issued on: 17 May 2025

Description: Cisco verifies the earner of this badge successfully completed the Introduction to Cybersecurity course. The holder of this student-level credential has introductory knowledge of cybersecurity, including the global implications of cyber threats on industries, and why cybersecurity is a growing profession. They understand vulnerabilities and threat detection and defense. They also have insight into opportunities available with pursuing cybersecurity certifications.

[CRUD Operations in MongoDB](#)

Issued by: [MongoDB](#)

Issued to: DILAN ARAGON ORTIZ

Issued on: 14 September 2025

Description: This digital credential validates your knowledge in performing Create, Read, Update, and Delete (CRUD) operations to manage data. It recognizes your understanding of designing effective queries to retrieve data efficiently and how to modify query results.

[From Relational Model \(SQL\) to MongoDB's Document Model](#)

Issued by: [MongoDB](#)

Issued to: DILAN ARAGON ORTIZ

Issued on: 14 September 2025

Description: This digital credential validates your knowledge of converting SQL or relational models to MongoDB's document model. It recognizes your understanding of how to design data relationships and enforce schema validation to create efficient, well-structured applications with robust data models.

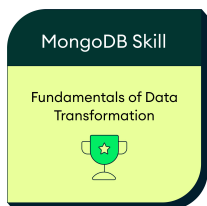

[MongoDB Schema Design Patterns and Anti-patterns Skill Badge](#)

Issued by: [MongoDB](#)

Issued to: DILAN ARAGON ORTIZ

Issued on: 15 September 2025

Description: This digital credential validates your knowledge of schema design patterns like inheritance and computed patterns. It recognizes your understanding of how to identify and avoid common antipatterns to optimize your MongoDB database for performance and efficiency.

[MongoDB Aggregation Fundamentals](#)

Issued by: [MongoDB](#)

Issued to: DILAN ARAGON ORTIZ

Issued on: 15 September 2025

Description: This digital credential validates your knowledge in building powerful aggregation pipelines to process, transform, and analyze data efficiently in MongoDB. It recognizes your understanding of the ordering of aggregation stages and optimizing aggregation pipelines.

[MongoDB Advanced Schema Design Patterns and Anti-patterns Skill Badge](#)

Issued by: [MongoDB](#)

Issued to: DILAN ARAGON ORTIZ

Issued on: 15 September 2025

Description: This digital credential validates your knowledge of advanced schema design patterns like approximation and schema versioning. It recognizes your understanding of how to manage schema lifecycle changes without downtime and identify performance-impacting antipatterns.

[MongoDB Schema Design Optimization Skill Badge](#)

Issued by: [MongoDB](#)

Issued to: DILAN ARAGON ORTIZ

Issued on: 15 September 2025

Description: This digital credential validates your knowledge of optimizing performance by applying schema design patterns like single collection and bucket. It recognizes your understanding of how to refine data models and effectively scale them in sharded clusters.

[AWS Academy Graduate - Cloud Foundations - Training Badge](#)

Issued by: [Amazon Web Services Training and Certification](#)

Issued to: DILAN ARAGON ORTIZ

Issued on: 13 May 2026

Description: Earners of this badge have taken the AWS Academy Cloud Foundations course.
